Abstract

* **Murat Yalman,**
E-mail address [_____](#)

1. Introduction

1.1. Internet / Web attitude

1.2. Limitations

1.3. Aim of the Study

2. Method

2.1. Data Collection Tools

2.2. Data Analysis

Table 6. t-test results indicating students' Internet attitudes by their gender

$\bar{X}$

Table 7. t-test results indicating students' Internet attitudes by their field of study

$\bar{X}$

Table 8. t-test results indicating students' Internet attitudes by having Internet connection at home

$\bar{X}$

Table 9. ANOVA test results by students' Internet use duration

4. Discussion and Conclusion
