Editorial

It is the great honor for us to edit proceedings of “3rd World Conference on Science and Mathematics Education (SCI-MATH-2017)” held on 28-30 August 2017, at the Bahcesehir University Besiktas Campus Istanbul, Turkey. This privileged scientific event has contributed to the field of educational sciences and research for three years.

As the guest editors of this issue, we are glad to see variety of articles focusing on the Physics Education, Chemistry Education, Biology Education, Science and Technology Education, Mathematics Education, Computer and Instructional Technologies Education, Environmental Education, Teacher Training, E-Learning and etc.

Furthermore, the conference is getting more international each year, which is an indicator that it is getting worldwide known and recognized. Scholars from all over the world contributed to the conference. Special thanks are to all the reviewers, the members of the international editorial board, the publisher, and those involved in technical processes. We would like to thank all who contributed to in every process to make this issue actualized. A total of 34 full papers or abstracts were submitted for this conference and each paper has been peer reviewed by the reviewers specialized in the related field. At the end of the review process, a total of 13 high quality research papers were selected and accepted for publication.

I hope that you will enjoy reading the papers.
